Breakthrough Movie - This Evening at 6:30pm at the Hub

We are excited to be hosting this fantastic Movie at the Hub this evening. Breakthrough was released in theatres in the spring of 2019 and has been viewed by thousands of people. It is based on the inspirational true story of a teenage boy who falls through the ice and spends more than 15 minutes underwater before being rescued. His miraculous survival and recovery is attributed to the faith and prayers of his mother and many others. Join us tonight and for this great movie and have your faith inspired to believe God for your BREAKTHROUGH. Admission is Free! Snack will be available for purchase. Please note we will be setting up the Hub at 3:30 this afternoon and would appreciate help in doing so. Meet there at 3:30 if you can assist.
